

MitID i Praksis

Informationsmøde for private tjenesteudbydere

Den 23 juni 2021

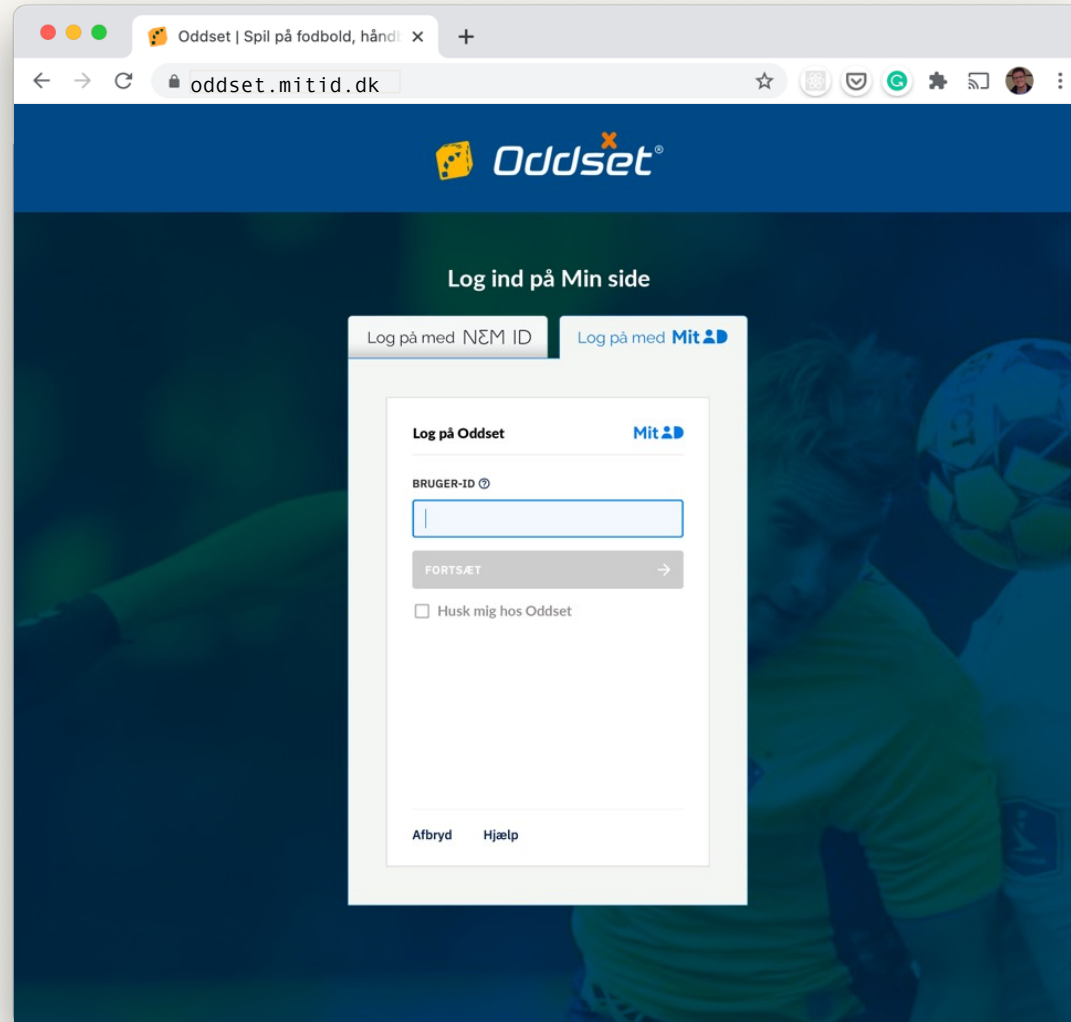

A vibrant crowd of people at a festival, likely a Holi celebration, with colorful face paint and confetti. A woman in the foreground is smiling and wearing sunglasses, with pink and blue paint on her face. A man next to her is also smiling and wearing sunglasses, with blue and pink paint on his face. A woman to the right has orange and yellow paint on her face and is wearing a flower in her hair. A hand in the upper left is holding a pink smartphone, taking a selfie. The background is filled with more people and green trees.
